

FREQUENTLY ASKED QUESTIONS

GYMNASTICS CAMP

Q: My child is only 5 but has **NOT completed Kindergarten. Can they attend Gymnastics Camp?**

A: No. We understand your child may be advanced or a good listener, however, skills are taught not only based on readiness but on body development.

Q: Are you peanut/ tree nut free?

A: No. We cannot assure you that another child will not come to camp with peanut/nut products. However, any snacks we provide are peanut/nut free.

Q: What are the camp activities they will participate in besides gymnastics?

A: Camp activities may include: arts & crafts, dance, games, and many more fun events.

Q: Do I send lunch with my child?

A: Yes, all campers must provide their own lunch and drink. We refrigerate all lunches. Please pack them in disposable lunch bags. We cannot accommodate large, hard lunch boxes.

Q: Will you group friends together?

A: We cannot promise that. Gymnastics grouping is based on age and ability. It wouldn't be fair for the Coach, group or friends. We can make sure they have snack, lunch, games, and other special activities together.

Q: Do you offer drop off?

A: Yes. You may pull your car up along the half-circle and drop your child off. We have staff available to make sure your child gets to the Y and the gymnastics center. If you are going to walk your child into the Y, you must park your car in a designated spot, not along the curb.

Q: Once camp is over, how do I know where to place my child for fall gymnastics?

A: At the end of every session, a *fall registration form* will be given to gymnasts. This form will contain the registration dates for the fall and what class you should register your child for. We are constantly assessing your child's ability and will notify you if we would like them to possibly tryout for an advance program.
